

Indian Society For Bone & Mineral Research and Karnataka Endocrine Society

19th OCTOBER 2019 - Day 1

Symposium : Bone health, Immunology & Approach

9.30 - 9.50 AM	Osteoimmunology: Vitamin D & Immune System: Vital Link	Dr. B.G.Dharmanand
9.50 - 10.10 AM	Clinical Approach to Metabolic bone Disease	Dr. Ameya Joshi
10.10 - 10.30 AM	Radiological Evaluation of Metabolic bone Disease	Dr. P. Balakrishna Shetty
10.30 - 10.50 AM	Role of Nuclear medicine in Metabolic bone Disease	Dr. Ashwimi Sood
10.50 -11.10 AM	PANEL -ALL SPEAKERS	
11.10 - 11.30 AM		
11.30 -11.40	Tea Break	
11.40 - 12.00 NOON	Update on the Management of Renal Bone Disease	Dr. Robert A.Wermers
12.00 - 12.30 PM	PSP TEOTIO ORATION -Harnessing challenges in unraveling failures in basic research: Outcome from studies on metabolic bone disorders	Dr. Ritu Trivedi
12.30 - 1.30 PM	Meet the Professor Session - 4 Cases	
1.30 - 2.00 PM	Lunch	

Symposium : Metabolic bone issues -Normal & Indian perspective

2.00-2.20 PM	PMO in India - trends & perspectives	Dr. Satinath Mukhyopadhyay
2.20-2.40 PM	Metabolic Bone Disease in India - current state & future directions	Dr. Vivek Arya
2.40-3.00 PM	Assessment of human bone quality	Dr. Deepak Vashishth
3.00-3.20 PM	Bone health in elderly Indians	Dr. Sushil Gupta
3.20-3.30 PM	Vitamin D Level Estimation - When, Why, How & When again ?	Dr. Manoj Chadha
3.30 - 3.40 PM	TEA BREAK	

Symposium : Management of Osteoporosis

3.40-4.00 PM	Monitoring Osteoporosis Therapies: Bone Markers Versus BMD	Dr. Sudhaker Rao
4.00-4.20 PM	BMD, Frax score & fracture risk assesment. Have we mastered the art?	Dr. Subhash C.Kukreja
4.20-4.40 PM	Role of sequential and combination therapies in osteoporosis	Dr. Nihkil Tandon
4.40 - 5.00 PM	Lesson learnt from long follow up of osteoporosis	Dr. Amrish Mithal
5.00 - 5.20 PM	Transplant related osteoporosis - management issues	Dr. Thomas Paul
6.00pm	General Body Meeting	
8.00 PM	Gala Dinner	

20th OCTOBER 2019 - Day 2

8.15 to 9.30	FREE PAPERS-HALL-1	FREE PAPERS-HALL-2
Symposium : Metabolic bone disease - Special Situations		
9.30-9.50 AM	Basic issues of Bone in Diabetes Mellitus -	Dr. Naveen Kumar
9.50-10.10 AM	Clinical Issues of Bone in Diabetes Mellitus -	Dr. Usha Sriram
10.10 - 10.30 AM	BMD in Children - Assessment & Interpretation	Dr. Rajesh Khadgawat
10.30 - 10.50 AM	Hypoparathydoism -What is new in management	Dr. Ravinder Gowsami
10.50 - 11.10 AM	Rheumatoid & Glucocorticoid induced osteoporosis-Epidemiology, prevention & management	Dr. Yogesh P Singh
11.10 - 11.20 AM	Panel Discussion	Dr. Subhash C.Kukreja
11.20 - 11.40 AM	TEA BREAK	
11.40 -12.10 PM	MMS AHUJA ORATION	
Symposium : Approach to Metabolic bone disease		
12.10 - 12.30 PM	Spine surgery & osteoporosis	Dr. Rajesh Malhotra
12.30 - 12.50 PM	Vitamin D fortification in India	Dr. Marwaha
12.50 - 1.10 PM	Vitamin D deficiency & its relation to osteomalacia & osteoporosis	Dr. Sunil Kota
1.10 - 1.30 PM	Primary hyperparathyroidism: mortality and changing cinical paradigms	Dr. Robert A. Wermers
1.30PM - 2.00PM	Denosumab, teriparatide & Newer molecular targets in Osteoporosis	
2.00 PM Onwards	Closing Ceremony & Lunch	

ISBMR invited Research work for Oral & Poster presentation for ISBMR 2019. The abstracts are invited under Clinical & Basic Sciences & should be up to 250 words (Introduction, Material & Methods, Results & Conclusion). Last date for abstract submission is extended till 15th September 2019 (To be sent to isbmr2019@gmail.com, chitraselvan@gmail.com, endsomu@hotmail.com)

15th Annual Conference of Indian Society for Bone and Mineral Research (ISBMR), Bengaluru

Venue : ATTIDE BOUTIQUE HOTEL
Opp Jakkur Aerodrome, Allalasandra, Yelahanka,
Bengaluru, Karnataka 560065

Date : 19th & 20th October 2019
